Figure 1. D-Tag cruise track for R/V Gyre (02G11) 21-August to 15 September 2002.
Figure 4. Locations of visual sightings of sperm whales during the D-tag cruise.
Figure 3. *Rylan-T* with the Fairfield *Speculator* on back deck. The cable seen on the right is the tow cable for the Seaman acoustic array.
Figure 2. Pair of digital-recording tags (D-Tags). The latex gloves keep the suction cups free of contaminants until just before use.
